Sir

In reply to your Docket No 420 dated the 23rd October last, I have the honor to forward the accompanying Statements showing the Strength and Cost of the Police Force of this Province for the years 1863 and 1864. The delay in furnishing the above was owing to the required Statistical data called for from the Divisions not having been promptly submitted. The State=ments received from one of the Divisions had also to be returned for revision and Correction and only reached this Office yes=terday. I would beg here to remark that the great discrepancies which ap=pear in the figures between the Statements

required from the Supreme Government and those now submitted are evidently owing to the practice which formerly existed of including the Cutwalls Establishment, Jail Guards, and other Items employed in the different Courts, under this head of Police.

Sir

I have the honor, in reply to your General No. 772 of 7th June 1866 / Judicial — " 1221 / to state that the whole of the papers connected with the arrangement for the proposed reorganization of the Police for the whole Province are in a very forward state, and I have been engaged in concert with Captain Weldon, who is about to join the Commission as Superintendents of Police for the Cantonment of Bangalore, in drawing up the several Schedules of Establishments for each District. As that Officer is still employed in Coimbatore District and has only been able to spare a day or two from his studies to meet and assist me in the matter, I propose to defer the final preparation of

the general scheme until after his appointment to the Commission has appeared in the Gazette and he can give his continued attention to the subject. As the whole subject has been carried on under my immediate supervision, I would propose with the concurrence of my successor Mr. Kindersley to settle up the whole question on my assuming temporary Charge of the Commissioner's Office and to transfer the papers connected therewith for the time being to that Office in order to facilitate the disposal of the proposed measure of Reform in the Police Administration.

16.

To The Ass.t Comr. of Lands. Co.

I have deposited this day a sum of Rs 506-4- being the 25 per cent on Rs 2025 of which sum I purchased all kinds of tree standing in the Muttigode Jungle situated in the Kiggutnad Taluk (which had been taken up by Mr. D. Stewart for coffee cultivation) on the 2nd October last; and I have agreed to pay the balance of Rs 1518-12- within the 5th January next & take this agreement back. Failing which the Government is at liberty to sell the trees in the muttigode Jungle without any reference to me. Should there be a loss to Govt in the second sale, I will be responsible to make it good. The deposit money I have paid now may be credited to the Government."
